WARNELL BING05						
Kept animal scat in your freezer	Had a lab in Whitehall	Climbed the stairs in building 4 to level 5	Had a lab in the rain	Know Corny		
Got lost in Warnell buildings	Went to a conclave	Tried to study in the lounge but got distracted	Met Jake Knox	Drew on the wall in the lounge		
Got lost in Whitehall	Went on a study abroad	FREE SPACE (Had a class in 1-304)	Owns hiking boots and a flannel	Went to a club meeting for free food		
Family/Friend has asked you to ID a tree, plant, or animal	Someone asked if you're going to be a park ranger	Disappointed by an empty vending machine	"You can tell that it is because of the way it is"	Has been bitten by a vertebrate		
Went to the creamery more than once in a day	Stayed in lab past midnight	Went on a R3 Hunt	Done a prescribed burn	Helped with a professor's research
